

Brisbane Aquatic Centre

Fact sheet August 2025

The Brisbane Aquatic Centre in Chandler Sports Precinct has long provided a venue for hosting aquatic sports events for athletes of all competition levels, since its construction for the Brisbane 1982 Commonwealth Games.

In addition to its elite event credentials, the centre attracts more than 400,000 community members annually, proudly serving as South East Queensland's home of school, regional, state and national competitions in swimming and aquatic sports.

The Brisbane Aquatic Centre will undergo necessary upgrades to support the National Aquatic Centre in Spring Hill in hosting aquatic program events for the Brisbane 2032 Olympic and Paralympic Games.

Features and benefits

Future-proofing aquatic sports

Upgrades to this venue will ensure its legacy continues to provide new opportunities for various aquatic sports as a key training and competition location, supporting the new National Aquatic Centre.

Community legacy

Outside of elite training and competition, upgrades will provide improved community facilities and greater public access, building on a legacy of the home of aquatic sports for generations of school children.

Integrated precinct works

Site improvements will be carried out throughout the Chandler Sports Precinct to provide better accessibility for everyone throughout the precinct and between venues.
