

Brisbane SX International BMX Centre

Fact sheet August 2025

The Brisbane SX International BMX Centre is Australia's premier BMX track and has challenged local, national and international riders since 2011.

Located adjacent to the Anna Meares Velodrome within the Chandler Sports Precinct, the centre incorporates the latest design and construction standards, requiring only a minor upgrade ahead of hosting events in 2032.

This venue regularly attracts local grassroots riders through to international standard competitors and will provide a thrilling course to host BMX racing at the Games with capacity for up to 5,000 spectators using temporary seating.

Features and benefits

High-performance legacy

Already established as a high-performance facility, upgrades are set to secure this venue as a valued piece of infrastructure within a wider precinct of sporting facilities encouraging cross-collaboration between athletic disciplines.

Supporting community and grassroots access

The centre is a valued community asset supporting local riders and clubs who will benefit from enhanced facilities, further promoting participation in a fast-growing sport.

Stronger sporting presence

Upgrades to the centre will provide additional opportunities for Brisbane to host future national and international competitions.
