

Moreton Bay Indoor Sports Centre

In readiness for the Brisbane 2032 Olympic and Paralympic Games, the new Moreton Bay Indoor Sports Centre will be one of the largest multi-use indoor sports facilities in South East Queensland. The new venue will be owned and operated by City of Moreton Bay Council. Council has already commenced enabling works on-site in readiness for future construction activities.

Located within the revitalised Mill Precinct, the new venue will provide a flexible and accessible facility well suited to various sports including basketball, netball, volleyball, gymnastics, futsal, pickleball and wheelchair rugby.

Following the Queensland Government's announcement of the 2032 Delivery Plan in March 2025, the Games Independent Infrastructure and Coordination Authority (GIICA) is working with the Queensland and Australian governments and Council to progress the project to procurement and delivery.

Features and benefits

Multi-use venue

12 indoor playing courts across two halls, as well as athlete and spectator amenities and facilities.

Servicing our rapidly growing community

One of the largest facilities of its kind in South East Queensland, helping to address the increasing community demand for indoor sports in the region.

Large spectator capacity

Capable of hosting a broad range of indoor sports during the Games with capacity of up to 10,000 spectators.
