

# Toowoomba Showgrounds

## Fact sheet August 2025

Toowoomba is set to shine on the global stage as the Toowoomba Showgrounds undergoes a transformation ahead of the Brisbane 2032 Olympic and Paralympic Games.

Already a host to a range of national, state and local equestrian events, upgrades will enhance the region's rich heritage and include additional arenas and warm-up facilities, additional and upgraded stables, and an upgraded and lengthened cross-country course.

Following the Queensland Government's announcement of the 2032 Delivery Plan in March 2025, the Games Independent Infrastructure and Coordination Authority (GIICA) is working with the Queensland and Australian governments, Council and the Royal Agricultural Society of Queensland to progress the project for investment decision.

## Features and benefits

### Competition-ready

Upgrading Toowoomba Showgrounds to international standards will transform this iconic Australian equestrian venue into a facility well-positioned to host more state, national, and international events in the years ahead.

### Community and grassroots legacy

Upgrades will provide enhanced facilities for local users, support athlete pathways, expand grassroots programs, and deliver a venue that keeps Toowoomba on the equestrian map.

### Economic opportunities

Beyond the Games, the revitalised venue will generate opportunities to increase local tourism and create more regional jobs.

### Stay informed

For more information on the Toowoomba Equestrian Centre and other venues being delivered by GIICA, visit [GIICA.au](https://giica.au) and subscribe for updates.
